

Astronauts make awesome discoveries!

To celebrate our new **Science Fiction** exhibition, we want to know - what would you like to find in space that no-one has ever seen before? Draw or write it on the other side of this card.

Write your name, class and school name on this side and place the card in the Science Museum's Out Of This World postbox.

The Club will fly your postcard to space on Blue Origin's New Shepard rocket, then return it to you stamped "Flown to Space".

SCIENCE MUSEUM

Your personal data will only be used to return the postcard to you after its space flight!
