

SCIENCE MUSEUM

Family Day at the Museum

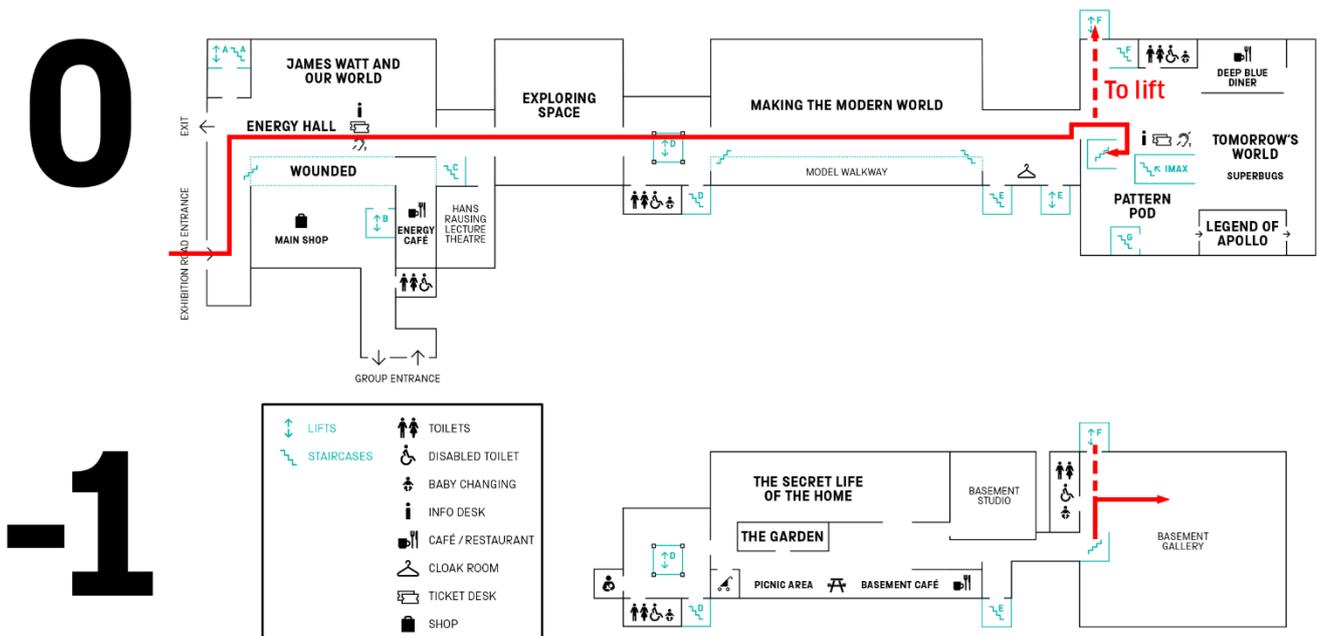

You are invited to a special day for the whole family at the Science Museum on **Sunday 19 November 2017**, with an exciting event organised exclusively for you.

During your visit we would like you to experience the wonder and beauty of the science that shape our everyday lives. We've arranged for you to meet guest scientists and explore science with them. You will also have plenty of time to freely explore the Science Museum and all its wonders.

How to Get Here

The nearest Underground Station to the Science Museum is South Kensington on the Circle, District and Piccadilly lines. For more details please visit our page [Visit Us](#).

Once you have entered the Science Museum, you will find the event in the Basement Gallery on Floor -1. To guide you please see the below map:

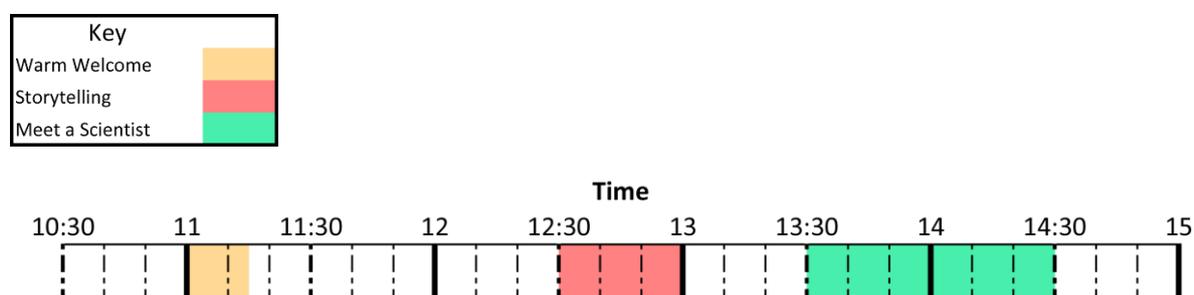

Itinerary for the day

The **day starts at 11 am** with a warm welcome, however **we will be open from 10:30 am** in the Basement Gallery for any early-comers.

The event will **finish at 2.30 pm** after which we invite you to enjoy the rest of the Science Museum which will remain open until 6 pm.

All families will receive **FREE tickets valid from 2:30 pm to *Wonderlab: The Statoil Gallery***.

Wonderlab is our hands-on interactive gallery with 50 mind-blowing marvels of science, live experiments at our Chemistry Bar and giant Tesla Coil, as well as twenty-minute Science Shows. For more information please visit the [Wonderlab webpage](#).

11:00 – 11:15 **Warm Welcome**

An opportunity for us to welcome you to the Science Museum.

12:30 – 13:00 **Storytelling**

A post-lunch 30-minute storytelling suitable for our younger audience (under 6).

13:30 – 14:30 **Meet A Scientist**

Exclusive Event where you will meet scientists in person and take part in fun experiments for an unforgettable, fun and interactive experience.

More things to do at the Science Museum

We also invite you to freely explore the Science Museum, which is full of amazing things to experience, both new and old.

On the day of your visit, you'll be able to enjoy the special exhibitions [5000 Years of Science and Innovation](#) and [Photography 1857–2017](#), from the Illuminating India cultural event celebrating India's contribution to science, technology and mathematics.

You can also see the special exhibition [Superbugs: The Fight For Our Lives](#), as well as all our other galleries and events. For more information, go to our [See and do webpage](#).
